## 2. Jurisdiction

2.1 The Scheme applies in New South Wales in accordance with the Act.

2.2 In addition to New South Wales, the Scheme is intended to operate in ACT, Northern Territory, Queensland, South Australia, Victoria, Western Australia and Tasmania in accordance with the professional standards legislation of those states and territories and subject to the requirements of that legislation (each a **Corresponding Law**), so that references to a provision of the Act, the application of the Scheme to a liability, the limit of a liability under the Act or what constitutes Occupational Liability, are intended to pick up the relevant provisions of the Corresponding Laws, applied mutatis mutandis, to the extent that is necessary for the application of the Scheme in any of those jurisdictions as an interstate scheme.

## 3. Persons to whom the Scheme applies

3.1 The Scheme applies to:

- (a) all Individual Members and Corporate Members of CSN who are not exempted under clause 3.2 of the Scheme; and
- (b) all persons to whom the scheme applies pursuant to sections 18, 19, 20 or 20A of the Act.

3.2 A person referred to in clause 3.1(a) may, on application, be exempted from participation in the Scheme by CSN with effect from the date specified by CSN. This clause 3.2 does not apply to persons to whom the Scheme applies pursuant to sections 18, 19, or 20 of the Act.

3.3 The Scheme also applies to all persons to whom the Scheme applied under clause 3.1 at the Relevant Time, whether or not the Scheme would otherwise still apply to those persons.

3.4 CSN may, upon application by a person who has been exempted from the Scheme under clause 3.2, revoke an exemption of that person from participation in the Scheme with effect from the date specified by CSN.

#### 4. Limitation of liability

4.1 The Scheme limits the Occupational Liability of a Participating Member for Damages<sup>3</sup>:

- (a) arising from a single cause of action founded on an act or omission by a Participating Member acting in the performance of providing services of a Consulting Surveyor; and
- (b) to the extent those Damages exceed the Monetary Ceiling applying in respect of the Participating Member at the Relevant Time.

<sup>3</sup> Damages as defined in section 4 of the Act means:

- (a) damages awarded in respect of a claim or counter-claim or by way of set-off; and
- (b) costs in or in relation to the proceedings ordered to be paid in connection with such an award (other than costs incurred in enforcing a judgment or incurred on an appeal made by a defendant); and
- (c) any interest payable on the amount of those damages or costs.

4.2 If a proceeding relating to Occupational Liability is brought against a Participating Member, the Participating Member is not liable for Damages in relation to that cause of action above the amount of the Monetary Ceiling applying in respect of the Participating Member if the Participating Member can satisfy a Court that:

- (a) the Participating Member has the benefit of a PI Insurance Policy; and
- (b) the amount payable under the PI Insurance Policy in relation to the Occupational Liability<sup>4</sup> is at least the amount of the Monetary Ceiling applying in respect of the Participating Member.

<sup>4</sup> Section 4(1A) of the Act provides that a reference in the Act "to an amount payable under an insurance policy in respect of an occupational liability includes a reference to –

- (a) defence costs payable in respect of a claim, or notification that may lead to a claim (other than reimbursement of the defendant for the time spent in relation to the claim), but only if those costs are payable out of the one sum insured under the policy in respect of the occupational liability; and
- (b) the amount payable under or in relation to the policy by way of excess."

However, see also section 26A of the Act and its note, which has the effect that section 4(1A) does not reduce the cap on the liability of the Participating Member to the client

4.3 For the purposes of section 26 of the Act, the Scheme only affects a liability for Damages arising from a single cause of action to the extent to which the liability results in Damages exceeding the Monetary Ceiling applying in respect of the Participating Member, as determined by the Council and set out in clause 4.4.

4.4 The monetary ceiling applicable for the purposes of limitation of liability under the Scheme at the Relevant Time is to be determined according to the following table:

| Class | Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | Monetary ceiling<br>(Maximum amount of liability) |
|-------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------|

| 3     | A Participating Member who is at the Relevant Time an Individual Member who is a principal, partner, officer or employee of a Consulting Surveying Practice that generated Annual Fee Income for the Financial Year immediately preceding the Relevant Time of greater than \$5 million.<br>A Participating Member which is at the Relevant Time a Corporate Member that generated Annual Fee Income for the Financial Year immediately preceding the Relevant Time of greater than \$5 million.                                                                         | \$10 million                                      |

4.5 Notwithstanding anything to the contrary contained in this Scheme if, in particular circumstances giving rise to Occupational Liability, the liability of any person who is subject to this Scheme is capped both by this Scheme and also by any other scheme under professional standards legislation (whether of this jurisdiction or under the law of any other Australian state or territory) and, if the amount of such caps should differ, then the cap on the liability of such person arising from such circumstances which is higher will be the applicable cap.

#### 5. Conferral of discretionary authority

5.1 CSN has discretionary authority, on application by a Participating Member, to specify in relation to the Participating Member, a higher maximum amount of liability than would otherwise apply under the Scheme in relation to the Participating Member, either in all cases or in any specified case or class of case.

5.2 Before specifying a higher maximum amount of liability in respect of a Participating Member under clause 5.1, CSN must satisfy itself that there is evidence of top-up professional indemnity insurance commensurate with the higher Monetary Ceiling sought.

- 5.3 If, in the exercise of its discretion under clause 5.1 CSN has specified a higher maximum amount of liability than would otherwise apply under the Scheme in respect of a Participating Member, the Monetary Ceiling applying in respect of that Participating Member is that higher maximum amount.
- 6. Duration**
- 6.1 The date of the Scheme's commencement in New South Wales, Victoria, Queensland, Western Australia, Tasmania, and the Northern Territory is 1 July 2020.
- 6.2 In the Australian Capital Territory and in South Australia, the Scheme will commence:
- on the date provided for in the Minister's notice in relation to the Scheme, if a date is provided; or
  - on the first day two months after the day on which notice was given, in any other case.
- 6.3 The Scheme will be in force in New South Wales for a period of five years from the date of its commencement in New South Wales.
- 6.4 For any other jurisdiction, the Scheme will be in force for whichever of the following periods ends first:
- five years from the date of commencement in the applicable jurisdiction; or
  - five years from the date of commencement in New South Wales.
- 6.5 Clauses 6.3 and 6.4 are subject to the provisions of each jurisdiction applicable to the revocation, extension or cessation of Schemes.
